4-H Story

Write a note, story or comments about the experiences you have had this year in 4-H. This section may be optional or required. Check with your County Extension Office.

We did so many different things in 4-H that I would not have done by myself. I would like to do more projects with older people next year.
I really like to travel. I hope that we can do more in the future. I get to see new places and learn something about the country I live in. Maybe I can do a project about my travels next year.
The leader for our 4-H Club includes all of us and makes it fun. I plan on joining next year too.

I have evaluated my records and believe that they are accurate, complete and verify that this represents my own work.
