

# Flathead 4-H Foundation is excited to announce an opportunity to affirm your place and provide a legacy for the future at the Flathead County Fairgrounds!

Make your mark in the walkway that leads into the Grandstand Building. Have your family name, a 4-H member's name, your business or organization's name engraved in a brick on the walkway. You could even choose to engrave a brick in honor of someone special or create a family treasure for generations to come. We have lots of people that have spent much of their life in and around 4-H over the years and many have come through the grandstand building on their way to a livestock sale, or in support of one of their family members involved in 4-H. So honor your special friend, loved one, or family member with a commemorative engraved brick that will last forever in the walkway to the Grandstand building. Placement of the engraved bricks on the ground will be random.
