

Hike through a PLT E-Unit

Project Learning Tree's e-units are organized into three main sections: Introduction, Curriculum Content (activities and lesson plans), and Appendices. These sections are easily accessed from the left-hand sidebar. Explore any of PLT's e-units by answering the questions below.

Introduction

1. What is the purpose of the e-unit?
2. In what ways does the e-unit support best practices in science education?
3. Describe how the e-unit forms a learning progression.

Activities

4. What is the purpose of the Pre-Assessment activity? Compare and contrast it to the Post-Assessment activity.
5. Click on one of the e-unit activities.
 - a. What are the main elements of the activity?
 - b. Some important text is highlighted in different ways (i.e. colors, underlines, etc.). What are these differences and what do they mean?
 - c. In what ways does this lesson support the 5E Instructional Model?
 - d. What information is contained in the "Tools" section? How is the content of this section similar or different for individual activities?

Appendices

6. What types of Additional Resources are provided? Where else in the e-unit might these resources also be found?

Navigation Quick Tips

7. What are two easy ways to return to the main page listing all three of the e-units?
8. Find the "Toggle Highlight Colors" and printer icon on the top right of the e-unit pages. What do these options allow you to do and why are they important?
