Role of Counselors at 4-H Camp

Being a 4-H Camp Counselor is a unique opportunity to meet and work with teens, adults, and youth in a fun, hands-on environment. Camp Counselors plan the 4-H Camp program with the assistance of the Extension agents from Broadwater, Chouteau, Judith Basin, Meagher, Musselshell/Golden Valley, and Wheatland counties.

Each counselor will be responsible for specific duties both in the pre-planning stages of camp **and** at Camp itself. This includes selecting program topics, obtaining equipment or other materials, and other duties as assigned. Counselors are also responsible for the safety and welfare of the campers during camp. Counselors share the overall responsibility for success of camp with Extension agents and other chaperones.
