

FOUNDATIONS SERIES COURSE 4

Montana's local governments face challenges in preparing new leaders. Although supervisors hold some of the most critical roles in an organization, they often receive the least support. The Montana Grown Leadership Academy (MGLA) was created to equip current and emerging leaders with the professional development needed to succeed in supervisory roles.

WHAT IS THE MGLA FOUNDATION SERIES?

MGLA's Foundation Series courses are dynamic, one-day courses featuring 6-7 interactive sessions that sharpen management skills, boost team communication, and deepen knowledge of HR and local government essentials, with fresh topics rotating every six months for ongoing growth.

GROWTH OPPORTUNITY

Participants can expect to grow in areas such as the following:

Management

Better understand their own management and communication styles

Communication
