Stillwater Valley FFA – Rob Yates
Broadview FFA – Ben Kruppenbacher
Rapelje FFA- Cali Rooney

(FFA members must contribute \$20 per member to exhibit in fair.)

4-H GENERAL RULES:

1. Entries are open to all 4-H & FFA members who are in good standing in Stillwater County. Fair entry deadline will be set for June 15 by the close of business. Late Entries will be accepted through June 22 by the close of business and must be accompanied by a \$50 late entry fee.
 - a. Interview schedules will be sent out after the entry deadline.
 - b. You may enter any or all Classes in the project(s) in which you are enrolled.
 - c. When you arrive at the fair, pickup your entry tags at the fair office located inside the Pavilion (see fair schedule).
 - d. Please attach each pre-printed entry tag to the correct exhibit.
2. All exhibits must be in place as scheduled. See your program for time of judging. **Exhibits must stay in place until 4:30 pm Saturday, or until the sale ends, whichever commences first.** Unless other arrangements are made, exhibitors are responsible for claiming exhibits at the close of the fair. Unclaimed items will be disposed of by the cleanup committee. Please be prompt to ensure retrieval of your projects. **Members who choose to leave before the 4:30 departure time on Saturday relinquish their trophies and cash awards. They are also not eligible for the premium money from the fair funds.** This rule will apply unless directed otherwise by the appropriate division superintendent.
3. All exhibits not sold through the sale ring will receive premiums on purple, blue, and red ribbons. Premiums are not paid on White ribbon exhibits of any kind. Premiums are awarded to ALL projects, except for market livestock projects and ribbon only classes. Points awarded are as follows: purple 4, blue 3, red 2, and white 1, dollar value is determined based on county allocated fair budget.
4. Premium money will be paid to the clubs as soon as the claims can be processed by the county.
5. All exhibits will be judged according to quality. The groups will be rated by color awards. When the judge deems the quality merits, purple ribbons may be given as the top award followed by Blue, Red, and White. If an exhibit doesn’t warrant at least a White ribbon, it will not be given an award.
6. **ALL JUDGE’S DECISIONS ARE FINAL!** No person(s) shall be allowed, under any circumstance, to interfere with the judge(s) during or after their adjudications.
7. If you are unable to bring your exhibit to the fair, arrangements need to be made prior to the fair for a taped interview.
8. The fair committee, organization, and other concerns donating facilities and equipment, or anyone associated with the fair management, will not be responsible for the loss, damage, or injury to any article, bird or animal exhibited at the fair either during the progress of the fair, or while in route to or from the fair. Nor will they be held responsible for the safe return of any exhibit to its owner, although due care will be exercised to prevent loss or damage. Furthermore, they will not be held liable for injury or damage to any person or personal property.
9. There will be responsible person(s) at the fairgrounds on Tuesday, Wednesday, Thursday, and Friday nights to watch over the exhibits and livestock.
10. Displays may be in the form of posters, 3-dimensional objects, or notebooks. Be sure to have a prominent title for easy public viewing.

11. In case of a member being out of the county for several weeks prior to the fair, the member will have to submit a report to the County Extension Office before the fair entries are turned in to prove the work on the project was his/her own. (This is especially necessary in short-term projects such as vegetable and flower gardens). All projects will be interview judged.
12. **It is required that all members have completed their 4-H records up to the day of the fair in order to sell any animal or items in the Silent Auction.** This includes feed records (if applicable), financial records, project journals, as well as completed the requirements in the respective project manuals. If all project manuals have been completed, then members must complete an independent study related to their project. **All records must have a leader's signature. Leaders will submit a list of those who have not completed forms and manuals to the Extension office prior to the check in for that specific project.** The main objective of the 4-H program is to provide a learning experience for the members and not just provide a place to sell an animal.
13. **FFA members will be allowed to use their FFA/SAE records at time of fair, if showing as FFA. Records will include financial, project journal, cash flow, and be signed by their advisor. Members will still need 4-H project book completed and signed by 4-H leader. All records must have a chapter advisors' signature. Advisors will submit a list of those who have NOT completed forms and manuals to the Extension office prior to the check in for that specific project.**
14. Clubs rotate in providing a lamb to be auctioned with the proceeds going to Stillwater County 4-H Council, clubs are responsible for obtaining and/or raising the council lamb separate from 4-H project.
15. **OPEN FLAME FIRES ARE PROHIBITED ON THE FAIRGROUNDS.**

CONSEQUENCES:

Any violations of the rules and regulations may result in forfeiture of all premiums and awards, disqualification, expulsion, or probation of the exhibit and or livestock involved in the violation. Probation, disqualification, expulsion, or other disciplinary action of the livestock committee will be final. A committee that includes all designated 4-H Superintendents – including, but not limited to livestock and indoor project superintendents, 4-H Council President, and the County Agent(s) as mediator reserves the right to interpret rules and arbitrarily settle all difference and questions not adequately addressed by the code of ethics.

1. Loss Ribbon place (I.E. Purple to Blue)
2. Loss of Premium Money
3. Sent Home from Fair

These rules and consequences will be enforced by superintendents and/or appropriate committees.

DRESS CODE FOR ALL CLASSES:

- SHIRT: long-sleeved button or snap-up with a collar. No T-shirts
- PANTS: black or blue jeans with no holes.
- SHOES: hard sole, closed toe shoes or boots are required for all classes. No tennis shoes, EXCEPT for dog.
- Hats or helmets are required as part of attire for horse, mini horse, and pony classes. ASTM F1163/SEI Helmets are strongly recommended for use during shows and practices.
- The entry numbers are to be visible from the back for all contests unless otherwise instructed by the judge or ring steward. The size of the showmanship class will be determined by the appropriate barn superintendent.
- Dog showmen are expected to follow the dress code listed above with the following exceptions: hard shoes and hats are not required.
- FFA Members must wear official FFA dress as approved by the three county chapters.
- Horse, Mini Horse, and Pony are expected to follow the dress code listed above with the following exceptions: western boots are required.

DRESS FOR ALL INTERVIEWS:

Dress code includes business attire, agriculture business casual, or official showmanship dress.

SHOOTING SPORTS DRESS CODE:

- Arm guards are required for archery, and long hair must be tied back behind the ears.
- SHIRTS: 4-H collared shirts or T-shirts are acceptable. Snap, button or pullover collared shirt or t-shirts or polos without graphics. For safety reasons, tank tops, and shirts showing the midriff area, are not allowable while participating in 4-H shooting sport activities.
- PANTS: Jeans, without holes or slacks.
- SHOES/FOOTWEAR: Casual shoes, tennis shoes, or boots. For safety reasons, shoes must cover the entire foot and must be closed toe. Air rifle: Normal low-cut, street-type or athletic shoes, including toe shoes must be worn in all positions. Shoes may not extend above the mid-point of the ankle and must have a flexible sole.

- Shooting jackets and special shooting pants are not permitted. Special shooting sweaters, shirts, or jacks with additional or special pads are not permitted.

STILLWATER COUNTY 4-H AND FFA GRIEVANCE POLICY AND PROCEDURE

The County Extension Agent and/or current 4-H committees will make rule(s) interpretation and decisions. When an individual has given verbal notification of grievance of a rule or policy infraction and the concern is not satisfied, a written request is needed to file a grievance.

Submission of Statement of Grievance

The party(s) grieving the process or decision shall file a formal written statement of grievance and complete the Grievance/Appeal form. Statements must be filed no more than 3 days after the incident or notification of the results of the grievance if they wish to file the grievance to a higher level.

The statement shall contain the following information at a minimum:

1. The date and location of the incident
2. The name(s) of the people filing the grievance.
3. A complete statement describing the incident including all the facts upon which the complaint is based.
4. Any rules, regulations, policies and/or procedures which have been violated, if any.
5. List the names and addresses (preferably with phone numbers) of people who have been involved with their role in the incident.
6. A proposed resolution or the result of the party filing the grievance recommends.
7. Signatures of those submitting the grievance.

Grievance Committee:

The grievance committee will include:

- All designated 4-H superintendents – including, but not limited to livestock and indoor project superintendents.
- 4-H Council President
- The county agent as mediator
- FFA Advisor (if the grievance involves an FFA member)

A secretary will be designated from the group to take notes. A quorum of the committee consists of 5 committee members and is required to act on any grievance.

Procedures:

The county agent will convene the meeting and notify everyone involved with the date, time, and location. The person(s) filing the grievance must be present at the hearing or available by phone to express their concerns. In the interest of time and to make it fair for everyone involved, the length of time each person is allowed to talk may be limited. If the procedure escalates to include inappropriate behaviors (i.e. foul language, improper gestures, threats, etc. as determined by the majority of the grievance committee) the grievance will be immediately dismissed resulting in an elimination of the grievers' rights.

After discussion of the person(s) filing the grievance will be excused from the committee meeting and committee members must vote. All committee members must vote, (unless excused for a direct conflict, and will not be included in the vote.) The decision is determined by a majority vote of the committee. Votes will not be publicized.

If a member of the grievance committee files a grievance/protest they must withdraw from the committee during the process. If worder or technical terms are involved, a professional in a field may be present to provide information. If people directly involved in the first decision(s) will attend the grievance committee meeting(s) to provide background information. If applicable, the club organizational leader and/or FFA advisor of the person filing the grievance will be notified and is strongly encouraged to attend the discussion portion of the Grievance Committee meeting.

Appealing a decision of the Grievance Committee:

If the person filing the grievance or the individual(s) affected by the grievance are not satisfied with the decision of the committee, they may request a hearing with the Council Executive Committee. The process and procedures need to follow the same course as it did in the original grievance but be directed to the Council executive committee. The mediator is the county extension agent.

All committee members must vote, (unless excused for a direct conflict, and will not be included in the vote). If the vote is a deadlock the decision of the grievance committee stands and cannot be overturned.

Any and all questions, problems, violations, or other situations arising at any time before or after the fair not otherwise covered by the rules & regulations printed herein shall be decided upon by the appropriate superintendents and/or committees.

Montana State 4-H Grievance Procedure (If the person filing the grievance or the individual(s) affected by the grievance are not satisfied with the final decision of the local committee, the following procedure applies).

The party(s) grieving the process or decision shall file a statement of grievance. The statement shall contain the following information at a minimum:

1. The date of the incident
2. The name(s) of the people filing the grievance.
3. A complete statement describing the incident including all the facts upon which the complaint is based.
4. Any rules, regulations, policies, and/or procedures which have been violated, if any.
5. List the names and addresses (preferably with phone numbers) of people who have been involved in the incident and their role.
6. Signatures of those submitting the grievance.

Grievance Committee

A committee of 3-5 people will be appointed by the State 4-H office to:

1. Narrow and define the issues related to the incident.
2. Gather information related to the incident which may include:
 - a. Identifying and obtaining input from people
 - b. Reviewing documents
 - c. Other processes deemed necessary by the committee.
3. Prepare recommendations for the resolution of the grievance. The recommendations will be non-binding and no testimony used by the grievance process may be used for any other purposes.

The grievance statement should be filed with: Todd Kesner, Director 4-H Center for Youth Development

Taylor Hall, MSU Bozeman, MT 59717

Live Auction Procedures for Non-Livestock Exhibits

Any 4-H member who receives a purple or blue ribbon on a completed, usable exhibit (not demonstration, sample, or display) may enter that exhibit in the Fair Live Auction providing it is not an animal item. Examples include, but are not limited to, leather wallets, photos (framed or matted), picnic tables, cross-stitched pillows, quilts, and garments. Members will only be allowed to sell two total items in the market sale. This includes combinations of livestock and non-livestock items (only 1 beef animal can be sold in the sale).

1. Fill out entry sheet either at the extension office any time after interviews or at the Silent Auction Registration table Thursday morning, prior to 10:00 a.m. A picture of the exhibitor and the item to be auctioned will be taken.
2. On Thursday morning between 8:00 and 10:00 am, you must return your completed entry sheet and exhibit to the Silent and Live Auction registration table, show the ribbon and entry tag you received on the exhibit to the person in charge of the Silent Auction (Silent Auction Manager). Do not leave your ribbon or entry tag with the exhibit. No exhibit will be received after 10:00 am. If this is not possible, a manager is willing to make an exception as long as considerate and open communication with the 4-H member occurs. Sale order will be completed concluding all market shows.
3. After manager has received registration form, item will be left on live auction table, Silent Auction Manager is no longer responsible for live auction items and auction table will be moved into the sale pavilion at 12:00 pm. Larger items on display outside will be given cards noting for sale in the live auction.
4. Exhibitors must present their exhibit in the sale in the correct sale order. Exhibitors must abide by the sale dress code to sell in the sale. (See dress code for showmanship, market sales, and round robin in the fair book for details).
5. Exhibitors may enter two non-perishable indoor items of the same project, or separate.
6. Buyers will be billed for the expense and exhibitors will be paid at the same time as all other livestock exhibits in the sale. A fee of 2.5% of the sale receipt will be added to cover advertising, broken items, etc.
7. Food projects may be added to silent and live auctions, the qualifications will remain the same as any other project that qualifies for auction. Members agree to furnish the buyer with a fresh product and must coordinate with the buyer to provide them with that item within a reasonable time after the fair unless the project is entered into the live auction. If an item is entered into the live auction, a fresh item must be made prior to the auction. As for a display at the fair for the silent auction, either a photo of the product (to be provided by a member) can be placed with the auction sheet or possibly look in display cooler to keep project from spoiling. Food items will be approved by a committee.
8. Any controversy or questions about Live Auction will be handled by the sale committee.

Silent Auction Procedures

Any 4-H member who receives a blue ribbon or higher on a completed, usable exhibit (not demonstration, sample, or display) may enter that exhibit in the silent auction if it is not a food or animal item. Examples include but are not limited to leather wallets, photos (framed or matted), picnic tables, cross-stitched pillows, quilts, or garments. The auction will begin on (Thursday) of the fair at 10:00 am and will close sharply at 4:00 pm on Saturday.

1. Pickup an entry sheet either at the fair office at the fair office table any time after interviews or at the silent auction registration table Thursday before 10:00 am. You must fill out the entry sheet neatly and completely. Please allow 4-H members to fill in their entry form in their own penmanship as part of their responsibility * This sheet will be displayed with your exhibit during the silent auction.
2. On Thursday morning between 8:00 and 10:00 am, you must return your completed entry sheet and exhibit to the silent auction registration table and show the entry tag with the ribbon you received on the exhibit to the person in charge of the silent auction. Do not leave your ribbon or entry tag with the exhibit. No exhibit will be received after 10:00 am. If this is not possible, the manager is willing to make an exception as long as considerate and open communication with the 4-H member occurs.
3. Food projects may be added to silent and live auctions, the qualifications will remain the same as any other project that qualifies for auction. Members agree to furnish the buyer with a fresh product and must coordinate with the buyer to provide them with the item within a reasonable time after the fair unless the project entered into the live auction. If an item is entered into the live auction, a fresh item must be made prior to the auction. As for a display at the fair for the silent auction, either a photo of the product (to be provided by a member) can be placed with the auction or possibly "look into" display cooler to keep project from spoiling. Food items will be approved by a committee.
4. The silent auction closes at 4:00 pm Saturday. The silent auction manager is available to exchange items and money on 4-H members' behalf from 4:00 to 5:30, 6:00 at the latest, as needed. 4-H members have until this end time to pick up their envelope from the manager. Any remaining envelopes and projects not picked up by the buyer will be handed over to the extension office to be picked up by the 4-H member. Items not paid for or bid on will be returned to the 4-H member.
5. At close of silent auction, the manager is responsible for exchange of money and project to buyer, attributing correct dollar amount to proper member, which is organized by an envelope system, attaining buyer's mailing address for purposes of thank you notes, and logging buyer's name from extension office purposes. Please do not conduct a transaction on your own as this would interfere with this process.
6. Any controversy or questions will be handled by the sale committee.

*The suggested bid amount should cover your costs plus a slight profit. Refer to your financial record sheet before stating a minimum bid.

Live Auction Policy

1. Sale Order: Sale of Champions & Reserve Champions: Begin the sale with Grand/Reserve Champion of each species using the rotation of species that has been established over the years. A 4-H/FFA member may sell as many Grand and Reserves as awarded. Using the same rotation, sell the purple ribbons animals of each species. Animals will be placed in order in the respective ribbon colors using judges placing of top 7 followed by the heaviest in the ribbon placing to the lightest. Following the last species of purple ribbon animals. Using the same rotation of species sell all blue ribbon animals followed by indoor exhibits of blue. Using the same rotation of species, sell red ribbon animals. Council lamb will be sold in the middle of the sale.
2. Sale order will alternate each year by species. 2025 sale order will be market beef, market rabbit & poultry, market sheep, market goat, and market swine.
3. All market animals will be weighed and sold by the pound rather than by the head, with the exception of poultry.
4. Where an animal is purchased and the buyer then donates it to some worthy cause for resale, the animal will be resold immediately. However, any animal is limited to that single resale in the ring. The council will sell approximately halfway through the sale. All other donated items & animals donated for the sale will sell at the end of the sale.
5. **Members may sell two market animals, only one may be market beef.** This can be any combination of beef, sheep, swine, rabbit, or poultry.
6. Members are responsible for putting their animals in the proper pen, stall, or trailer at the fairgrounds after they go through the sale ring.

7. A member may only remove animals from the sale before the establishment of the sale order by the 4-H office staff and this is done immediately following the conformation judging of each market class.
8. If participant is not personally able to sell their animal at the sale, 3% of sale fee charge will be applied. The exception would be if another 4-H/FFA activity conflicts, members must come before the council to present your case to be approved prior to the fair. Money would go to the market animal account for council.
9. All market animals sold at the Stillwater 4-H/FFA **Market Livestock will be assessed a fee of 2.5% of the sale receipt.** Commission is used for sale expenses such as advertising, buyer's lunches and recognition, brand inspection, livestock equipment, and market animal emergency fund.
10. All animals sold during the 4-H/FFA Market Livestock sale and sent resale will be delivered to the resale buyer. There will not be any negotiations or reselling of animals during or at the fair. Resale prices and terms will be negotiated and posted prior to the fair by the sale committee. Once the prices are finalized, 100% of all animals sent resale will be delivered to the committed resale buyer. As the livestock sale committee contracts for the sale of all the resale animals before the sale, no resale animals will be available for purchase back by exhibitors after the sale.
11. The 4-H Council and resale committee will not negotiate or make changes prior to delivery. The names of the resale buyers will not be released to the general public by the sale committee except to those individuals need the information for transport, inspection, health, and related issues.

All buyers' pictures will be taken following each showmanship competition. See dress code for attire rules. A portable electronic scale will be used to weigh the stock for show classification and sale weight. These scales have been inspected and licensed by the state. Swine must be clean at weigh in.

Maximum weight limits have been established by the 4H Council for the market animals. Market animals weighing over the limit will be paid only for the limit weight (i.e. the buyer of a 160 lb. lamb will only be charged for 155 lb. and the member will only be paid for

MAXIMUM PAY LIMITS:	Swine – 300 lbs.	Beef – 1550 lbs.	Lamb – 155 lbs.	Goats – 100lbs.
----------------------------	------------------	------------------	-----------------	-----------------

155 lb.)

Minimum weight limits have also been established by the 4h Council for the market animals. Market animals that have not met the minimum weight limit cannot be sold in the 4H sale.

MINIMUM PAY LIMITS:	Swine – 225 lbs.	Beef – 1000 lbs.	Lamb – 100 lbs.	Goats – 50lbs.
----------------------------	------------------	------------------	-----------------	----------------

(Weights revised by 4H Leaders Market Sale Committee 2017)

Sale order will be posted for 2 hours Friday afternoon at the fair office for your review. Any corrections must be made during this time. SALE ORDER WILL BE FINAL FTER THE 2 HOURS

Carcass Program, Policy, and Procedures

1. All entries into the carcass program must be enrolled by the respective enrollment deadlines:
 - a. Market beef: January 1
 - b. Market swine, sheep & goat: May 1
2. A member must be enrolled in the market project in order to take a carcass animal and follow all requirements of the class with regards to manuals/options, and records including completion deadlines for records and manuals for the fair.
3. All carcass animals must be castrated. Scurs or horns are acceptable providing the animal is safe to handle.
4. Judging guidelines: After evaluation, animals will be evaluated based on standards of the respective Montana State Carcass standards: <https://animalrangeextension.montana.edu/beef/steerofmerit.html>
<https://montanasoe.org/>
<https://www.animalrangeextension.montana.edu/sheep/index.html>
5. All carcass animals MUST be weighed on the scale provided. The animals will be judged before the fair. Members MUST attend the weigh-in, live judging, and carcass evaluations in order to compete for awards. Carcasses will be placed 1,2,3,4, etc. by the judge with the overall placing to determine the winner. If any animal qualifies, the grading results will be sent into the State Merit Programs. To qualify for the Steer of Merit program, the member must have attended a Quality Assurance Program.

6. Carcass Show Dress Code Guidelines: Business or Show attire (as interview dress code is stated) closed toe shoes required.
7. It is the responsibility of the member to find a buyer for the carcass animal and notify Stillwater Packing Company as to cutting instructions and ownership.
8. A member who has intended to exhibit and sell his/her market animal in the fair sales but finds the animal is considered too dangerous to bring to fair may enter the carcass contest with that animal up to the date of delivery to the packing plant, even if they are not carrying a carcass project. Members must call the Extension office to enter.
9. There is no limit to how many animals you wish to enter for the carcass program.
10. Carcass awards will be as follows:

BEEF PLACING	1 \$150	2 \$100	3 \$50
SHEEP, GOAT & SWINE PLACINGS	1 \$75	2 \$50	3 \$25
11. Open to Sweetgrass and Carbon County 4Hers. Contact your Extension office.

- Level 3: Must complete a minimum of 7 activities and 5 learning experiences each year.
- Independent Study: Is for any youth who are looking for opportunities and new challenges within a specific project in which the member is currently enrolled. The members determine specific experiences needed to accomplish project goals and locate resources helpful in carrying out their plans. (example: utilizing project "option" books available through the County Extension office instead of the project manuals that are designated for each project).

General Livestock Rules

1. Market animals cannot be enrolled as breeding projects.
2. All market/carcass beef, sheep, and goats will be **owned**, weighed in and tagged on the date listed below. After these weigh-ins a card will be given containing name, weight, and tag numbers. These will be the official starting weights. Exhibitors have one week from the date of receipt to submit any corrections to the Extension office.

Market /Carcass Steers	1 st Sunday in January
Market/Carcass Sheep and Goats	1 st Sunday in May
Market Carcass Swine	1 st Sunday in May

3. All animals: breeding animals, horses, mini horses, ponies, goats, dairy animals, (see dog rules), cats, rabbits, poultry, and pocket pets must have been acquired, in members continual care and be enrolled by May 1st.
4. An animal shown as a market animal cannot be used as a breeding project. (except for swine)
5. If an animal is tagged as a market animal for a different fair, it may not be shown in the Stillwater Fair. (except for in carcass contest)
6. To participate in any of the carcass contests the member must be enrolled in the respective market animal project and satisfy all the project requirements including completed records and be interviewed at the fair.
7. All market animals must be dehorned and castrated, **except goats which will be blunted**.
8. A 4H/FFA member may enter only as many animals as the rules for the class allow.
9. Champions will be selected in classes only as noted in the class rules and at the judge's discretion.
10. Please note: All champion showmanship animals will be on display for the entirety of the fair. Any exceptions will be brought before a committee of all the livestock superintendents. If a member chooses to remove their animals early, they will forfeit all awards for winning that particular class.
11. All feed and equipment must be furnished by the exhibitor. Shavings for bedding will be furnished.
12. Ribbons will be awarded at the discretion of judges. Exhibits will be placed Purple, Blue, Red, and White. No premiums are paid on white ribbons and white ribbon animals are not allowed to sell in the livestock sale.
13. All animals must be clean and properly fitted or will not be shown.

14. All large and small animal exhibitors, including showmanship, are required to participate in the showmanship contests, Horse, mini horse, and pony champions will join the Round Robin on Saturday. Non-participants must meet with the superintendents and the appropriate committees to explain reasons for not participating. Penalties will be loss of awards and premiums. Showman will remain Jr. Showman until eligible by age for Sr. Division. A member is considered a Sr. If he/she has reached age 14 by October 1st of the Current 4H year. A first-year member will show in the novice division. FFA members will show in the Sr. Division.
15. No more than 5 breeding animals per species per member may be shown at the fair. Each animal must be listed on the entry form to be eligible for ribbons and premiums.
16. All market beef, swine, sheep, rabbit, poultry, and goat members are required to obtain Quality Assurance certification by attending training during first market livestock year as a junior and first market livestock year as a senior. If you have already taken QA three times, you do not need to take it again.
17. All sheep and goat members bringing animals to the fair will be required to have all animals tagged or tattooed for the Scrapies Free program that is promoted by the State Department of Agriculture.
18. A champion and reserve showman will be chosen if quality merits, in the Junior and Senior livestock division.
19. All members please note: Any member selling exhibits who is not dressed according to the rules will have their exhibits pulled out of the sale order and will be put at the end of the sale.
20. Members must show their own animal and ALL animals must be controlled. Because of safety concerns, all livestock must be manageable by the livestock exhibitor. Any animal deemed unsafe by the livestock superintendents will not be allowed to show or sell.
21. Exhibitors may receive limited assistance from parents, other enrolled members of Montana 4H/FFA (Cloverbuds are not full members and not insured to show animals), and barn superintendents. A member who has more than one animal in class will have a member of Stillwater County 4H/FFA assist in showing the second animal. The members will have to name who will show their animal and notify the barn superintendent. All members showing an animal in the ring will be dressed in show attire per the dress code. If a member is not appropriately dressed, they will not enter the ring. Members with multiple animals need to plan in advance as the gate will not be held. Any beginner beef member, ages 8-10 years, can have "limited hands-on help" from an adult. Adults other than judges and officials will not be allowed within 10 feet of any animals during the judging. This rule is subject to exemptions due to safety considerations.
22. **All animals will be stalled inside the fairground's enclosure at all times.**
23. 4H & FFA members are responsible for feeding, watering, and caring for their livestock, also for the appearance, condition, and cleanliness of their stall area. The buildings must always be kept in order. Show boxes and equipment may be stored in barn within designated areas as determined by the superintendent.
24. **Livestock and horse exhibitors must clean their stalls before they leave the fairgrounds, in addition, each member must also check out with the barn superintendent before leaving the grounds.**
25. Market beef animals must have a bill of sale. The bill of sale will be turned in at Beef Weigh in at the fair.
26. Every family can enroll **ONE** extra market animal or horse that can be used for a replacement by any sibling enrolled in the respective project if one of their animals becomes sick, injured, or dies. The animal must be tagged and/or designated as the extra animal. To move the animal from being the designated extra animal to the replacement animal the family must contact the livestock Extension agent for approval. Evidence as a picture, vet letter, or other proof may be asked for. The extra animal can be entered into the carcass contest under any family member enrolled in the respective project.
27. Fair Weigh-In: Livestock will be weighed in for classification, refer to fair weigh-in schedule. This weight will be used as the sale weight. Check weight limits. Following the weighing of the animals, class will be designated and posted. Class size will be determined by superintendents with consult from the judge but will not exceed 15 animals.
28. Re-weigh policy: A request for a re-weight must be made immediately after it is weighed at the designated fair weigh-in time. It will be immediately re-weighed. It is recommended that an adult accompanies their children to weigh-in
29. Before any animal is removed from the fairgrounds it must be cleared with the species livestock superintendent.
30. Only Animals entered in Stillwater County Fair are allowed to be on Stillwater County Fairgrounds.

The 4H/FFA Livestock Code of Ethics

Montana 4H is based on principles of positive youth development. 4H and FFA believe that all producers and exhibitors of livestock have an interest in maintaining a reputation of integrity as well as interest in presenting a positive and progressive image at livestock shows. Because 4H and FFA believe all livestock producers want to produce a wholesome, safe, and reliable source of food for the public, showing, and exhibiting of 4H and FFA livestock at shows and fairs.

Sportsmanship

All exhibitors and their families are encouraged to conduct themselves in a positive, honest, sportsmanlike manner during the shows and at the fair. Losing gracefully is just as important as winning humbly. The following practices are prohibited:

1. Criticizing or interfering with the judge, other exhibitors, or show officials while attending the fair may result in an individual or group being expelled, placed on probation, or declared ineligible to exhibit at the fair.
2. Unsportsmanlike conduct, such as abusive language to show officials, other exhibitors or spectators is prohibited. Any member or their parent/guardian exhibiting unsportsmanlike conduct will be warned. A second offense will result in the removal by grievance committee of said member from the fair and forfeit of all premiums and awards.
3. Misrepresenting the age of an animal for a class in which it is shown is prohibited.

Treatment of Animals

All animals are to be treated in a humane manner. Adequate feed, water, and shelter are to be always provided. Physically abusing an animal is unacceptable at any time. A STOP sign will be put in each barn and will be put on an animal's pen if the member is not attending to animal as seen fit by the barn superintendent. The member will be given one hour to remedy the situation.

Physical Alteration of an Animal

The following will not be tolerated:

1. Treating or massaging any part of the body internally or externally with an irritant, counter irritant or other substance or method to temporarily straighten a weak back or loin to produce unnatural animation.
2. Striking the animal to create swelling in a depressed area.
3. Performing surgery of any kind to change the natural contour or appearance of the animal's body, hide or hair. Not included is the removal of horns, clipping and dressing of hair and trimming of hooves, spaying heifers, castrating male animals or docking tails.
4. Insertion of foreign material under the skin.
5. Balancing the udder by an abnormal means including the use of a mechanical contrivance or the injection of fluid or drugs.
6. Setting the teats and/or occluding (sealing the ends) with a mechanical contrivance or with the use of chemical preparation.
7. Treating or massaging the udder or its attachments with an irritant or counter irritant. The use of common products such as fly spray, ointment, or liniment in excess to the extent that is irritating is included as irritant unless required to reduce edema at the time of calving.
8. Any attempt to change the natural color of any animal, either purebred or crossbred, by changing the color or adding false hair, fleece, or skin at any point, spot, or area of the animal's body is prohibited. The natural color of an animal cannot be altered using any artificial coloring. However, products that match the animals' natural color may be used in the fitting process. For example, black products may be used on a black-legged animal and red color can be used to cover a steer or lambs natural leg color.
9. The use of a cold wet towel is allowed
10. Oral drenching using drench guns is allowed. Drenches will only be allowed that are formulated by an animal nutrition company/business and labeled for that particular use. NO PUMPING, USE OF DRENCH TUBES, OR ANY OTHER ESOPHADEAL METHOD IS ALLOWED

Administration of Drugs

The Stillwater County Fair does not permit the administration of a drug or any kind of description (herbal, natural, or pharmaceutical), internally or externally, except for treating a recognized disease or injury. For the purposes of these rules, the term "drug" shall mean any substance, the sale, possession, or use of which is controlled by license under federal, state, or local laws or regulations and by any substance commonly used by the medical or veterinary profession which affect the circulatory, respiratory, or central nervous system of an animal. Only those drugs approved and labeled under FDA law for use on specific animals can be

administered. Livestock requiring any medication should be identified upon arrival at the fair to the barn superintendent. Exhibitors should be prepared to present a valid prescription or a written explanation either or both to be signed by the animal's licensed veterinarian. If livestock requires medication or treatment after arrival at the show, and medication used to protect the health and welfare of the animal must be prescribed by a licensed veterinarian and approved by the superintendent. Administration must, at all times, be given in accordance with the label or veterinarian's prescription. Liability for the correct administration of the prescribed drug is the responsibility of the exhibitor and the exhibitor's parents or legal guardian. Exhibitors are prohibited from:

1. The use of alcoholic beverages in feed or administered as a drench.
2. The use of diuretics on any animal is prohibited.
3. Minimizing the effects of cramping by feeding or injecting drugs, depressants or applying packs or using any artificial contrivance or therapeutic treatment exempting normal exercise.
4. Administration of tranquilizers or calming agents, natural, herbal, or pharmaceutical, to calm down animals. The livestock Committee reserves the right to call in a veterinarian for testing.

All animals sold through the 4H market livestock sale must conform to FDA/EPA/USDA established withdrawal periods for any substances including drugs, pesticides, feed additives, or other chemicals. Animals may be tested at packing facilities for antibiotics residue. If a positive test is confirmed, the animal will be condemned. The loss and associated costs are the responsibility of the member/exhibitor, not the 4H Council.

Herdsman Award

4H members will be evaluated on care of animals, pen/barn cleanliness, helpfulness, sportsmanship, public interaction, and fair set-up and clean up. Awards will be given to a senior and junior member in each category (beef, sheep, swine, and small animal). These awards are to be distributed at Achievement Night.

DEPARTMENT 4 HORSE

STILLWATER COUNTY 4H HORSE POLICY

HORSE POLICY

1. Stallions are only permitted as yearlings in the Colt to Maturity project.
2. All animals must be owned or leased and in the continual care of the member by the 1st Monday in May of the current 4H year. The member must also be enrolled in the project on that date and provide proof of vaccination and a completed horse project ID card for each horse turned into the extension office.
3. Horse, pony, and mini horse showmanship champions from the horse shows will remain at the fairgrounds for the remainder of the fair and will show their horse in the Round Robin.
4. Change of a horse or replacements will not be made without consulting with the horse superintendent. This is allowed only under the most extreme circumstances in the horsemanship projects as this project is judged on the member's ability to perform the requirement of the project. The replacement horse must be a horse owned by the member's family and not a professional replacement. A replacement in the colt to maturity class is not allowed as this project is designed for using the same horse from beginning to end of the project.
5. Ribbons and trophies are awarded on merit only.
6. The judging criteria for showmanship will be as follows (50% showing the horse; 40% condition & appearance of horse; 10% the exhibitor).
7. See fair book general rules for dress code.
8. Must show proof of vaccination of all horses entered.
9. Members are to use the same horse that they used for assessment.

SAFETY

If the horse superintendent determines that a 4H member is not in control of his/her horse and is endangering his/herself or others, the superintendent will assist the 4H member in gaining control of his/her horse. If this is not possible at the time, the 4H member will be excused from the arena or working area. The superintendent will follow the safety guidelines set forth in the Montana 4H Horse Safety Guidelines.

Members or leaders with safety concerns should take them to the horse superintendent.

ELIGIBILITY RULES FOR THE HORSE PROGRAM: 4H MEMBERS

1. Horsemanship is the basis for the horse project. All members must complete Horsemanship levels 1, 2, and 3 before entering any other Horse project, with the exception of horse judging, career horse showing, and packing, which may be taken simultaneously with any mounted horse level. (See the project descriptions for specific assessment requirements)
2. Advanced horse projects:
 - A 4H member must have been enrolled in Horsemanship I-V11 for one year.
 - Must have completed levels I, II, & III prior to May 1st of the second year validated by the signature(s) of the Horse superintendent.
 - Must be 12 years or older.
 - Have demonstrated ability to handle the project to the horse superintendent before enrolling in the colt to maturity and green horse projects.

PROJECT HORSES

1. A project horse may be exhibited by more than one 4H member in any one project year if the 4H member are not in the same level and or class at the 4H Fair.
2. Except for the yearling colt project, only mares and geldings may be shown.
3. Un-broke or green horses that are 2 years or older when the 4H member begins the project should be entered in the Green Horse project. This project is designed for an unbroken or green broke horse that is too old to be eligible for the colt to maturity project.
4. The age of the horse shall be computed by the calendar year starting January 1st of the year foaled. (EX: a horse foaled any time in 2012 will be termed one year old January 1st, 2013)
5. All horses carried in 4H projects must be in the continual care of the 4H member by May1st of the project year and must remain so for the duration of the project year. If a horse must be stabled at a location other than the home of the member, then the member must do the following:
 - Inform the horse leader and be prepared to keep a detailed riding log of interactions between horse and rider.
6. Proof of a 4-way vaccination will be presented to the extension office no later than May 1st. Vaccinations must include Flu and Rhino. You can get a 4-way that does include these.

ASSESSMENT

1. An assessment should be an educational experience. The members should feel good about themselves, with their project work, and the assessment process. The Assessment process is a time to build positive self-concept and help the member with decision making and the development of a responsible attitude.
2. All assessments will be completed by the horse superintendent or a qualified 4H horse leader approved by the Horse superintendent.
3. For safety and liability reasons, members must be assessed on each horse they will use for each discipline. A move by a 4H member to progress from one level to another within a horse project will be considered valid and completed only if the safety assessments are accompanied by the signature of the Stillwater County 4H horse superintendent or a qualified 4H horse leader approved by the horse superintendent.
4. Once a member has completed a level assessment, competed at that level at fair and won grand or reserve champion, the member may not show that same level again (no more than 2 years), unless they are using a different horse project.
5. The horse superintendent may refuse to provide a signature for level or project advancement for safety consideration only. However, if the horse leader questions the member's abilities for advancement the horse leader may provide his/her signature and include the statement, "with reservations" following his/her signature. "With reservations" indicates that while the choice to advance is that of the member the advancement is not approved by the horse leader.

INSURANCE

1. The superintendents will inspect the assessment/fair facilities for possible dangers to the participants. They will contact the owner of the facilities to make sure they have liability insurance in effect.
2. Each 4H horse member is required to have his/her parent or guardian sign a liability release. These releases must be on file at the 4H office with enrollment forms prior to any 4H horse activities.

POLICY CHANGES AND DISPUTES

1. The Stillwater County 4H Horse program policy will be reviewed each fall at the first meeting of the 4H year. Any proposed policy changes will be voted on by the horse/livestock committee and presented to the 4H council for approval prior to January 1st.

See Stillwater County 4H Grievance Policy and Procedure for enforcement of rules covering the Montana State and Stillwater County horse programs.

CODE OF ETHICS & 4H HORSE PROJECT DRESS

1. Code of ethics for 4H members is covered under the section "Code of Ethics" in the Stillwater County fair book.
2. Dress code will adhere to the policies set forth in the Stillwater County 4H General Rules.
 - a. **When attending horse practice long pants, shirt, and boots are required for safety**
3. No Stillwater County horse judge may provide any clinics involving Stillwater 4H horse project members or assist any Stillwater 4H horse project member during the year in which he/she will be a judge.

HORSE SHOW RULES

1. Practice safety at all times.
2. Keep horses, equipment, and feed clean and neat.
3. Keep horses in a safe place at all times.
4. Keep the horses in a designated area or arena. Please do not ride or lead horses in public areas.
5. No tranquilizers will be used.
6. Make sure your animal always has enough food and water.
7. See that your animal is clean and well groomed.
8. Always handle your animal with care. Never mistreat your animal.
9. Practice the same animal care behavior required at fair at home before and after fair.
10. Members violating horse show rules after at least one warning may be subject to loss of premiums, ribbons, awards, and trophies related to the horse show.
11. The champion and reserve champion horse, mini horse, and pony showmanship winners are eligible and encouraged to participate in the round robin showmanship contest. Non-participants must meet with the superintendents and the appropriate committee to explain reasons for not participating.
12. For the safety of the competitors, any horse that is a known kicker must wear a red ribbon on its tail or it cannot be shown.
13. ASTM F1163/SEI helmets are strongly recommended for use during horse shows and during practices. Please see horse superintendent for more information.
14. Each member must have their completed horse manuals, through the assessment level that they completed, their project, financial & feed records, proof of vaccination and horse ID card(s), and the member journals for their fair interviews.
15. See clover for a listing of applicable project manuals. All requirements for each project are listed in these manuals.
16. At the Stillwater County fair, a horse may be shown with whatever tack the horse has been trained with at home. The only exception to this will be if their leader, the horse committee and/or the judge deems that what the member is using is unsafe. The members must understand that if they choose to attend the State 4H horse show they will have to abide by the state rules completely including tack requirements.

DEPARTMENT 5 HORSE EDUCATION

Entries in this department supplement your horse, pony, or mini horse project.

DIVISION 1 HORSELESS HORSE

If you currently do not have a horse but think you one day will and will want to participate in other horse projects, you should enroll in this project. In horseless horse you learn how to identify the parts of a horse, horse behavior, horse breeds, costs of raising a horse, how to care for a horse, horse facilities, horse safety rules, selecting a horse, nutrition, reproduction, diseases, health care and pasture management.

- CLASS 1** Horseless Horse Level 1

- CLASS 3** Horseless Horse Level 3
- CLASS 4** Horseless Horse Level 4
- CLASS 5** Horseless Horse Level 5

DIVISION 2 HORSE SHOWING (NOT HORSE SHOWMANSHIP: See department 5, division 5)

This project teaches you to select, train and maintain your horses for showing, but you will not bring a horse to fair.

- CLASS 1** Level 1 Horse Showing
- CLASS 2** Level 2 Horse Showing
- CLASS 3** Level 3 Horse Showing

DIVISION 3 HORSE JUDGING

This project teaches you to select and evaluate horses, give oral reasons and places, classes of conformation horses, and performance horses. No horse of your own is required.

- CLASS 1** The project leader or agent can assist the member in setting goals for each project year. Completion of these goals will satisfy the requirements of this project.

DIVISION 4 HORSE PROJECT EDUCATION CLASSES

- CLASS 1** Careers
- CLASS 2** Enter up to 7 unlike items

DIVISION 5 PONY (Self - Determined)

In addition to your pony project, you may enter up to seven unlike exhibits per class. You must specify what each item is on the fair entry form.

CLASS 1 Pony

DIVISION 6 MINI HORSE (Self - Determined)

In addition to your mini horse project, you may enter up to seven unlike exhibits per class. You must specify what each item is on the fair entry form.

CLASS 1 Mini Horse

DEPARTMENT 6 SMALL ANIMALS

Each member is limited to entering two birds per class number. For example, the member can enter two cocks in CLASS 1. All birds in a class will be shown together, so each member must have another member on hand to help show their second bird in the class. Birds entered as individuals cannot complete a trio (2 females and a male of the same breed) and vice versa. See the dress code under livestock rules.

CLASS DEFINITIONS

CLASS 7 Independent Study

DEPARTMENT 7 DOG

All members in the 4H dog project who attend the fair will be interviewed. Exhibitors are limited to one dog per class. If you are showing two dogs, they must be in separate classes. Members may also enter any of the classes under the miscellaneous section. All dogs shown at the fair must have proof from a veterinarian that all vaccinations are current. Anyone planning to show his/her dog in obedience or agility at the fair **must attend at least one Stillwater County 4H dog class for safety assessment**, regardless of where the initial obedience or agility classes are taken. To be in the project you do not have to own a dog. The dog can be borrowed or leased but cannot be pre-trained. Dogs must be 6 months old by fair to enter in obedience, rally, showmanship, or agility.

The following items are required:

- All dogs must be vaccinated (distemper, parvovirus, hepatitis, and rabies) and records placed in record book.
- Must have safety and level assessment completed by dog superintendent, at one Stillwater County dog class before June 15th or member cannot show dog at fair.

Bring the following items to class and fair:

- Crate or vehicle which the dog can stay in when needed (required for reactive dogs, strongly recommended for all dogs)
- Vest or bandana to alert others if dog is reactive (prefer yellow) worn at every dog class and when in the grounds. Vest/yellow should be worn at fair during competitions with more than one dog in arena at a time (showmanship and on leash stays) and in between rounds.
- 6 ft leash
- Collar
- Treats
- 4H record books (helpful for record keeping, but not required)

Show attire for Obedience, Showmanship, and Rally (Day 1):

- SHIRT: nice long or short sleeve shirt, no t-shirts
- PANTS: long pants any color with no holes or appropriate skirts and dress
- We recommend no hard sole shoes.
- Dogs will be shown with a flat collar, martingale collar, standard choke chain, or slip lead appropriate to sport. For obedience you must have a 6 ft lead.
- Treats are allowed only where stated.

Show attire for Agility and Tricks (Day 2):

- Casual and sporty
- No t-shirts with graphics or cut-off shorts
- Polo/Athletic shirts and shorts are acceptable.
- Athletic shoes are encouraged.
- See division for acceptable collars and leashes.

DIVISION 1 RALLY OBEDIENCE

Rally obedience is a sport where the dog & handler team move at their own pace through a course that includes 10 to 20 stations depending on the level. Scoring is not as rigorous as traditional obedience. Communication from the handler to the dog is encouraged and perfect heel position is not required. There should be a sense of teamwork and enthusiasm as the team goes through the course. You may get points for enthusiasm. Stationary exercises are those that involve a stop and sit or down. Dogs show in a buckle or martingale collar with any length lead. No treats or toys are allowed in, or around, the show arena (unless in Rally 1). A dog may stay at each level of rally unless they win grand or reserve champion or move up during assessment.

CLASS 1 Rally 1

- Equivalent to AKC Novice
- Handler may use treat rewards.
- All exercises performed on a leash.
- Required 10-15 stations to complete, no more than 5 stationary exercises.
- Exercises performed vary from turning 360 degrees to changing pace during the course.
- Exhibitors at this level may clap their hands, talk to the dog and pat their legs through the course.
- Skills that will be needed to complete in Rally Obedience include recall, heel, sit, finish and down.
- Rally signs that may be used at this level are #1-33.

CLASS 2 Rally 2

- Equivalent to AKC Novice
- Handler may NOT treat rewards.
- All exercises performed on a leash.
- Require 10-15 stations to complete, no more than 5 stationary exercises.
- Exercises performed vary from turning 360 degrees to changing pace during the course.
- Exhibitors at this level may clap their hands, talk to the dog and pat their legs through the course.
- Skills that will be needed to complete in Rally Obedience include, recall, heel, sit, finish, and down.
- Rally signs that may be used at this level are #1-33.

CLASS 3 Rally 3

- Equivalent to AKC Advance
- This level may be repeated two consecutive years at the county fair.
- All exercises are performed off leash, on a loose leash or with leash over neck.
- Require 12-17 stations with no more than 7 stationary exercises.
- Exercises include a jump as well as calling your dog to the front of you instead of a heel position. MUST REMOVE LEASH FOR JUMP
- Exhibitors at this level may clap their hands, talk to the dog, and pat their legs through the course.
- Skills that will be needed to complete in Rally Obedience include recall, heel, sit, finish, and down.
- Rally signs that may be used at this level are #1-33.

CLASS 4 Rally 4

- Equivalent to Excellent.
- Exercises are performed off leash.
- Require 15-20 stations, with no more than 7 stationary exercises.
- Handlers are only allowed to encourage their dogs verbally. Physical encouragement is not allowed.
- Exercises include backing up 3 steps while the dog stays in the heel position and a moving stand while the handler walks around the dog.
- This level may be repeated as many times as the handler wishes.
- All of the Rally signs may be used at this level.

DIVISION 2 OBEDIENCE

Youth are highly encouraged to take obedience. Each team will be assessed, and levels determined each year. Teams must move up if they are Grand or Reserve Champion the previous year. All other teams will determine levels based on skills in June. The dog program manual will include more details on the classes.

CLASS 1 Obedience 1: AKC Beginner Nove Obedience may carry treats and reward dog as needed. Includes: heeling on leash, sit for exam, sit stay and for exam, and recall

CLASS 2 Obedience 2: Same as Level 1 but with NO TREATS

CLASS 3 Obedience 3: AKC Novice Includes, heel on leash, heel free, 1 minute sit and 3 minute down stays (group in arena), stand for exam and recall

CLASS 4 Obedience 4: AKC Graduate Novice without recalls over jump. Heeling pattern, recall with a down in the middle then finish to a heel, dumbbell recall, down stay to retrieve leash all off leash.

CLASS 5 Obedience 5: AKC Graduate Novice all of level 4 with recall over broad jump and recall over high jump.

CLASS 6 Obedience 6: AKC Open A, Heel Free, Command Discrimination, Drop on Recall, Retrieve over broad jump

DIVISION 3 AGILITY DIVISION

Dogs must be shown with a buckle collar or preferably no collar. Tabs may be used in Class 1 & 2 agility. No choke chains, long leads or pinch collars.

CLASS 1 Intro in Agility

- Simple course for dogs under 1 year of age or those just beginning agility.
- Jumps appropriate to dogs' ability.
- Tabs and treats allowed.

CLASS 2 Regular Agility

- Novice Course, no weave poles.
- Course may consist of jumps, barrels, tunnels, tire jump, a- frame, table, dog walk and hoops.
- Tabs allowed.

CLASS 3 Regular with Weaves

- Regular course will consist of same novice course with addition of weave poles.
- The course will also be more challenging with more difficult turns and handling.
- No Tabs

CLASS 4 Tunnelers- Ribbon Only

- Team will have 2 chances to run a course made entirely of tunnels.
- Will be scored and placed according to NADAC rules.

CLASS 5 Interview Only

- (Injured Dog, absence from fair, etc.)

DIVISION 4 DOG AND PUPPY CARE

CLASS 1 Dog items you have made.

INDEPENDENT STUDY

CLASS 2 Notebook, exhibits, and display of what you have learned in your independent study. 4-H dog members not enrolled in obedience or agility will be interviewed on the level of the dog project in which the member is enrolled. Members may be asked to demonstrate their knowledge related to the dog project after completing the required activities in the project book.

DIVISION 5 TRAINING AND TRICKS – RIBBON ONLY

Handlers will demonstrate and preformat least one trick in front of the judge and audience. The trick will be something each handler has worked to teach their dog throughout the year. The judge will determine the placing based on the performance of skill and demonstration of the training methods. Each performance and demonstration should be limited to 2-3 minutes. Treats may be used.

CLASS 1 Tricks class

DIVISION 6 DOG JUNIOR & SENIOR SHOWMANSHIP (see Department 9 to sign up)

Dogs may be shown in a choke chain, buckle collar, or show collar. All showing will be on a leash, black or leather leashes are preferred. Dog treats or bait may be used in the ring.

Showmanship is judged on how well dog and handler work together standing still and in motion, modeled after the AKC Junior Showmanship Program. The dog's conformation or its being purebred is not important. The handler must show knowledge and understanding of the dog's breed (that breed in which the dog most resembles), grooming requirements and general dog knowledge appropriate to the member's project year. The handler should present a well-groomed dog that is trimmed appropriately according to the chosen single breed's standard; however, this should not be in the judges deciding factor. Dogs clipped for health and maintenance reasons will not be penalized. Dog and handler should work together and move fluidly. The handler should exhibit a positive attitude and courtesy to the judge and other handlers. Dogs will show as a group and individually. Please see the 4-H dog Junior Showmanship Manual available at the extension office or online for more information

DIVISION 7 SCENT WORK- RIBBON ONLY

In so many dog sports the handler is in control but this isn't true in Scent Work. Neither the dog nor the handler knows where the target odor is hidden. The handler has to rely on the dog, and follow the dog's nose to success. In Scent Work, it is the canine who is the star of the show.

CLASS 1 Nose work (target odors)

CLASS 2 Urban Rat

CLASS 3 Shed Hunting

DEPARTMENT 8 CAT AND POCKET PETS

The cat show and interviews will be held during the fair. Once the interview is complete, bring your project exhibits (not your cat) to be on display in your club's booth at fair. Send in your cat entries on the standard fair entry form so schedules may be set for the judging. You are automatically signed up for showmanship with your cat entry. Showmanship attire should be worn as specified. For the safety of your pet and all in the cat show, we require vaccinations for rabies and distemper. Bring proof of vaccinations and include it in your 4-H record book as well. You may enter up to seven unlike items in each class.

DIVISION 1 CAT

CLASS 1 Cat 1

CLASS 3 Cat 3

CLASS 2 Cat 2

CLASS 4 Independent Study

DIVISION 2 POCKET PETS

All animals will be judged as an exhibit and not on conformation. Pocket Pets, apart from pets kept in enclosed containers, are to be brought the day of the show and taken home after. You may enter 7 unlike items in each class.

CLASS 1 Pocket Pet 1

CLASS 3 Pocket Pet 3

CLASS 2 Pocket Pet 2

CLASS 4 Independent Study

DEPARTMENT 9

ANIMAL SHOWMANSHIP

The following animal exhibitors will need to be enrolled to participate in the showmanship contests: Horse, Mini Horse, Pony, Beef, Cat, Rabbitt, Poultry, Sheep, Swine, Goat, & Dairy.

Non-participants must meet with the superintendent to explain reasons for not participating. The horse, pony, mini horse Junior and Senior Grand and Reserve Champion will be eligible for the round robin.

Showmanship classes will be: Novice, Junior, and Senior divisions. The senior division will show first. Followed by novice. The novice whom the judge awards a purple ribbon will then compete in the junior division.

It is mandatory for the following animal exhibitors to participate in the showmanship contest: Horse, Mini Horse, Beef, Sheep, Swine, & Goat.

Nonparticipants will forfeit the ability to participate in the sale and forfeit premiums.

CLASSES:

CLASS 1- Senior (age 14 and above)

CLASS 2- Novice (Junior age exhibitor who has never shown that species before (eligible for awards)

CLASS 3- Junior (age 9-13)

The top novice as determined by the judge will compete in the Junior Class if they are age 9-13 years old

DRESS CODE

1. SHIRT: long sleeved button or snap-up with a collar, NO T-SHIRTS
