

## **SAMPLE CONFERENCE/INTERVIEW JUDGING QUESTIONS**

Every 4-H'er who is conference judged will be asked several questions. The conference may last only a few minutes for simple projects, or longer for more advanced work.

All conferences should consist of questions that:

1. Serve as an opening
2. Pursue in-depth knowledge
3. Look ahead into future 4-H work

### **SAMPLE QUESTIONS:**

The judge will not ask all these questions, they will pick out the ones they feel will tell them how much you learned in your project.

General Conference Judging Questions:

(These can be used for all projects)

### **INTRODUCTION - -**

1. Did you enjoy this project?
2. Have you taken this project before?
3. What did you like best about the project?
4. What other things did you make or do in this project during the year?

### **DETAILED LEARNING - -**

1. How did you make this item? What steps were involved?
2. What were some of the problems you had in making this item?
3. What was the most fun you had doing when making this?
4. How much did it cost?
5. What did you learn from this project?
6. How do you plan to use this item?
7. Did you receive any help making your project?

### **CONTINUED LEARNING - -**

1. Do you plan to take this project again?
2. What are some other things you could learn?
3. If you took this project again, what could you make for an exhibit that would be a challenge to you?
4. If you didn't like this project, what new project will you try next year?
