Paddy Fleming

July 10th , 2023

MONTANA
STATE UNIVERSITY

Progress so far

GVFB

- ▶ Food rescue routes
- ▶ Written to MSU dining halls
- ▶ Drafted letter to bring other business on board

Fork & Spoon

Identified areas of pollution prevention:

- ▶ Turn off lights when closed
- ▶ Use of energy-efficient lightening

Cont'd

Use of dishwasher only
when fully loaded

Fixing of water leaks

Turning off water
when soaping up

Turning off machines
not in use

Replacing outdate
equipment with more
energy efficient ones.

Propose
area of P2
focus

Propose Timeline
